Quicken for Windows 2013–2015

Web Connect

Introduction

As **LOC Federal Credit Union** completes our computer system upgrade on June 1, you will need to modify your Quicken settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive. To complete these instructions, you will need your **User ID and Password** for the **LOC Online Banking** website.

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your service may stop functioning properly. This conversion should take 15–30 minutes.
